Indiana Science Policy: Educate, Collaborate, Transform

APPLICANT INFORMATION

Applicant Name _____

Applicant Email _____

Applicant Phone # _____

University or College _____

Department or Field of Study _____

Program (MS or PhD) & Year in Program _____

Advisor Name / Contact _____

ADDITIONAL ATTACHMENTS

1. **Resume or CV:** 3 pages maximum.
2. **Recommendations:** Please provide 2 professional references. One recommendation MUST come from the applicant's primary academic advisor. The other recommendation can be from academia or other professional experience.
3. **Personal Statement:** In 1,000 words or less, please address the following points:
   - Why are you interested in state-level science policy?
   - How will an Indiana Science Policy (INSPECT) Fellowship contribute to your career goals?
   - What unique skills and experiences do you bring to the Fellowship Program?
   - Any additional information that you would like the selection committee to consider.
4. **Science Policy in Indiana:** In 750 words or less, please write a summary of a science policy issue of your choice and its implications for the state of Indiana. This summary should be written for a non-technical audience, such as a policy-maker or informed citizen.
5. **Optional Diversity Statement:** In 250 words or less, describe how your identity influences your interest in science policy.
6. **Host Office Preferences:** Please rank your top three host offices.

Completed applications must be submitted to your university contact by the stated university deadline. Ideally, all application materials should be combined into one PDF file. Only completed applications will be considered. Please contact Paul K. Doss (**pdoss@usi.edu**), INSPECT Fellowship Director, with any questions related to the INSPECT Fellowship.
